

Exec Update September 2006

World Council

The AGM voting strength is now as complete as it's going to be. BRA has declined to submit an owners list and stated that they intend not to vote.

ESP has been given notice of removal from the World Council under Constitution 16.3.2, among other things this removes their ability to vote at the AGM & enter IOMICA sanctioned events. The Exec is hopeful for a speedy resolution.

NCA's are reminded that they now need to poll their membership and submit the results no later than 25 Sep 2006 00:00 GMT

Constitution 8.8.4. states: A Special resolution at the World Council requires each Member NCA or Member NCS to ballot their Certificated Owners on that resolution. A Member NCA or Member NCS who is not able to demonstrate the results of their owner ballot on a Special resolution shall abstain from voting on that resolution.

The Exec will require evidence of the ability to demonstrate the results of such ballots prior to the NCA / NCS casting its vote. We expect this evidence will most likely take the form of an owners list containing yes/no/abstain information or similar.

Note this is required for Special resolutions, voted for by Certificated Owners only. It isn't necessary for Ordinary resolutions. Therefore we will be expecting evidence of the votes cast for Resolutions 2.1, 2.2, 2.3, 2.4, 2.6, 2.11, 2.12, 2.13, 2.14, 2.15, 2.16, 2.17, 2.18, 2.20, 2.21 & 2.22.

Any NCA / NCS unable to demonstrate the results of their ballot will not be able to vote.

Events

Work continues with the French application for a World Championships 2007. The ESC is working to ensure this goes ahead & runs as smoothly as possible.
