Subject: European Championship cl. IOM 2020

Respectable Gentlemen

The criticality of the current health situation of the whole of Europe due to Covid-19, even with the best forecasts, would not guarantee a smooth running of the European Championship scheduled for 2-8 October 2020.

Therefore, the Società Canottieri Orbetello (SCO) & ASD Roma Sail IOM, having also heard the opinion of the NCA Italia, has decided to cancel the event scheduled for 2020 and to propose the transfer of the same from 2-8 October 2021 in the same lagoon of Orbetello.

Sure you will understand our motivations for what has been decided, we look forward to hearing from you.
